Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Schedule E for Line 24 of your 12 Day Pre-General Report (10/1/08 – 10/15/08) discloses independent expenditures dated 10/1/08 (see attached). However, a Miscellaneous Electronic Submission (FEC Form 99) filed 3/9/09 states, " ...[o]nce the expenditures qualified by date of dissemination as an independent expenditure, the required 48-hour Schedule E notice was then filed within the appropriate timeframe. Therefore, no amendment is necessary with respect to these disbursements." Since the Committee has identified the date disclosed on the notice as the date made, the date disclosed on Schedule E appears to be the date paid. However, no corresponding entries on Schedule D nor any memo entries on Schedule E have been disclosed on the Amended October Monthly Report (9/1/08 – 9/30/08), received 1/26/09. Please be advised that if a communication is aired in one reporting period and the payment is made in a later reporting period, the independent expenditure should be reported as a memo entry on Schedule E when the communication is publicly disseminated or distributed, and on a Schedule D if it is a reportable debt under 11 CFR §104.11. Subsequently, when the payment for the independent expenditure is made, the report should show a payment on Schedule E and the same payment on Schedule D, if applicable. Please amend your report to clarify this apparent discrepancy.
